Retail Estimator

Description

We are looking for a diligent Estimator to prepare accurate flooring estimates for customers who are looking to purchase new flooring. This position involves going to customer homes to take measurements of rooms where new flooring will be installed.

Responsibilities

- Take accurate measurements to ensure the customer is purchasing the correct amount of flooring.
- Being a courteous representative of the company when visiting customer homes.
- Creating a diagram from measurements, using provided computer and/or tablet.
- Being on time to appointments and submitting diagrams in a timely fashion.
- Maintaining a well-groomed appearance.
- Safely driving to appointments using a company provided vehicle.

Qualifications

- Being professional and courteous to all customers.
- Basic mathematical skills.
- Basic computer literacy regarding the use of iOS devices, mobile phone, and email.

Job Benefits

- Medical
- Dental
- 401(k)
- Paid Time Off
